invitrogen

Pouring your own gels?

You can have a tank for free

Simply quote promo code **RSURE3** when ordering one of the **SureCast Gel Handcast System** starter packs and get a **Mini Gel Tank** for free†

SureCast Gel Handcast System

Pour your own polyacrylamide mini gels easily and confidently with the Invitrogen™ SureCast™ Gel Handcast System. The system features durable glass plates that are securely sealed using a single-motion load-and-lock mechanism. The unique tilt feature of the Invitrogen™ SureCast™ Gel Handcast Station minimises spillage during handcasting.

- Leak-free design—minimise the number of failed gels, waste less time
- Superior glass plate durability—up to 20 times more durable compared to other suppliers
- Unique tilt feature—minimise spillage and confidently load acrylamide solutions
- Simple component assembly—using a single-motion load-and-lock mechanism
